This is a complete listing of the gravestones found in July 2001.
X means a stone with no detected information.
() means probably these letters.
[] means information obtained from another source as in Newspapers or Town Reports.
**** means information supplied by family member.**
f/s means foot stone.
My notes are in BLUE.

**Should you find any errors
or have any missing information,
please let me know so that I can make
the correction.**

**Tombstones recorded around 1860 were found on Microfilm from the
Middlesex Vital Records office.**
([click here to view](#))

Please note that rows were assigned arbitrarily

when
tombstone inscriptions were recorded.
Plot numbers are from cemetery records
which are transcribed by Linda Benoit.
([click here to view](#))
Cemetery records are of the person who
PURCHASED the plot, not necessarily
the person/persons who are buried there.

To search this listing, use the web browser's "find" command, located under the "edit" menu or use Ctrl+F keys. But, be sure to wait until the whole page loads.
